

## **HONOURS THESIS FINAL GRADE REPORT**

Please complete and submit this form to the Thesis Course Instructor by the required deadline. This sheet must be accompanied by (a) a completed Honours Thesis face sheet (to be filled in with pen, pencil, or text-processed) and (b) a hard copy of the thesis as handed in for evaluation (an error-free, pristine version for binding should be submitted to the Dept. Asst. at a later deadline). Grades (with hard copies of the thesis) which are not deferred, if not handed in on time, will be recorded as an "F." Appeals for removing those F grades must then be made to the Dean's Office by the student involved, or by the thesis supervisor when the delay had not been caused by the student.
